Dear NCaeyc Members,

NC's children need our help!

The Senate's version of the NC Budget will likely go to the Governor by Friday. This budget reflects devastating cuts for young children.

We need you to contact the Governor now and ask her to veto the Senate budget and sustain programs and policies that give NC's children the foundation they need for success in school and life!

Call Governor Perdue's office at 919-733-2391.

Send a fax to 919-733-2120.

Or email: governor.office@nc.gov

Together, we can make a difference for children, families and early educators!

Thanks,
Lorie
